JOSÉ LOPEZ / TV-VIDEO EDITOR

SUMMARY

I am detail-oriented freelance television and video editor with expertise in advanced editing techniques and creative problem-solving. I understand the power of storytelling through pacing, visuals, and audio. I have a proven track record of collaborating effectively with production teams to deliver high-quality projects on time. My extensive experience in unscripted programming and commercial editing, complemented by my editing of numerous successful sizzle reels has secured show sales for production companies.
